

Dear Chuck,

I just wanted to say thanks so much for all your help! You are AMAZING!!! You made an already excellent day even better & it wouldn't have been the same without you. You are definitely more than just a DJ. All my guests loved the music and you put it together so it flowed really well. You also were funny, even-keeled (even through all the craziness), professional, and had good delivery in between songs. The cream puff "cutting" was hilarious! I would highly recommend you to anyone that is getting married. If you ever need a reference I would gladly give it. Good luck in Maui, I am sure you won't need it because you will blow ALL the other DJ's away!

Thank-you, Trish & Bill Miller

HI Chuck!

I just wanted to thank you for making our wedding such a memorable and fun occasion. Every single person had such a great time and I can honestly say that is was the best wedding I have ever been to! J You were a really important part of the event and really helped make it what it was. Thank you so much. I certainly hope that you had a good experience with Pacific'O and that you will work together again. You certainly have my highest recommendation! Once again, thank you and best of luck to you for the future.

Mahalo, Shannon and Victor Gregory

Chuck,

Thank you so much for making our reception awesome! You played such a great mix of our requests, oldies and goodies and were so gracious about our performers using your equipment. I haven't seen some members of my family "shake their tailfeathers" EVER! and you made them feel comfortable enough to get out there!

Thank you so much, take care, Corey & Holley Connors

Aloha Chuck,

You did such a wonderful job! Words really can't describe it. I knew from our first meeting that you were incredibly professional and would handle the music without a hitch. One of the best aspects (are there are so many great ones!) of your work is that you're genuinely concerned about the bride and groom and that our day goes as we had hoped. You made that happen. I have already passed your name onto two of our friends and hopefully they will follow my advice and choose you.

Thanks again, we had a blast! Sandro & Pennie Rossini
